

It's Time to Deliver for *Women.*

Women supported elected officials who promised to prioritize their needs up and down the ballot from the White House to state legislatures. As the Build Back Better plan is being finalized, the things that matter to women must be addressed:

- ✓ **Paid family and medical leave.**
- ✓ **High quality and affordable child care.**
- ✓ **Home and community-based services.**
- ✓ **Tax relief for parents.**
- ✓ **Lower health care costs.**

Across America, women in cities, suburbs and rural America, of all backgrounds – we voted, and now, we're watching. Women deserve more than half-hearted solutions and sweet talk.
